

Governor's Energy Efficiency and Renewables Task Force

Renewables Workgroup

5/24/04, 1:00 PM – 4:00 PM or thereabouts

Offices of Xcel Energy, Room 511, 10 E. Doty St., Madison, WI

Proposed Agenda

1. Update from May Task Force meeting, Policy Initiative Workgroup
2. Gain final resolution on current RE numbers
3. Discuss treatment of nonutility generation purchased through published tariffs and its applicability to successor Renewable Energy Standard (see below)
4. Discuss treatment of nonconforming hydro (greater than 60 MW)
5. Further convergence on three proposals
6. Discuss next steps for model windpower siting ordinance
7. Schedule meeting(s) between 6/15 + 7/21

Next scheduled RE workgroup meetings: June 8
